

Haumoana | Sea Breeze

This four bedroom “classic meets modern” home works just as well inside, as it does out. Dual living with dual access points from the foyer makes this home easy to work with when having guests around. The dining area allows for a larger family sized table, the kitchen includes a scullery and there’s even room for an outdoor kitchen bar. Other pros include plenty of storage and a large master bedroom with ensuite and walkin robe.
